## **UPDATE**

SUFFOLK, Virginia (November 7, 2011) – North Main Street has reopened to thru traffic.

### **ROAD CLOSURE DUE TO HIGH WATER**

SUFFOLK, Virginia (November 7, 2011) – Suffolk Police Department advise that a portion of North Main Street is currently closed due to high water. The 600 block of North Main Street by the Kimberley Bridge is currently closed.

Southbound traffic is being turned around to North Main Street at the intersection of Constance and Main, and northbound traffic is being turned around at either East or West Constance.
